

BS4800 POWDER COATING COLOUR CHART

BS 4800 is a selection of colours for building purposes taken from the BS 5252 Framework for colour co-ordination. BS 4800 colours are widely specified in the U.K. The colours depicted on the following chart are for guidelines only. Although these colours are accurately matched to the BS4800 standard, there may be a colour variation between substrates and/or textures.

The finished colour may not be as shown here.
